convention and that the resolution was in order.

Mr. Varian objected to injecting a dynamitic resolution of extraneous matter into a convention assembled for legislative action. "It is a good rule in conventions, as well as in business," he said, "to not meddle in business," he said, "to not meddle in business that does not concern you. I deprecate this measure. It is not good politics and it is wrong."

Jake Greenwald seeing that his resolution was raising hades withdrew it.

Adjourned.

After adjournment Jake Greenwald called the First precinct together and a committee, consisting of himself, Moritz, Duke, Breeze and Judge Loofbourrow, was named to place in nomination a candidate for justice of the peace.

PRINCIPLES OF GO-OPERATION TRUE

Consist in bringing the consumer in immediate proximity to the producer. We buy from the fountain head, and in such enormous quantities that we get the lowest possible figures. We give the purchaser the advantage that we gain in this respect, and this accounts for the enormous business we are doing. If there are any doubts in your mind as to where you can buy your house furnishings with mo t satisfaction to yourself, an examination of the quality, quantity and prices of our stock will soon dispel them. We have just received a new, novel and varied assortment of Reed and Rattan Furniture. The Summer Season was behind time and we are therefore overs!ocked on Baby Carriages and Refrigerators, and have excellent bargains to offer you.
